

FULL-SIZE CONTROL. COMPACT-SLIDE PERFORMANCE.

GLOCK G45 GEN6

The GLOCK G45 Gen6 combines a compact-length slide with a full-size frame, delivering the handling and magazine capacity officers want with improved maneuverability and comfort. Designed for duty use, the Gen6 introduces enhanced ergonomics, an optics-ready system, improved grip texture, and a flat-faced trigger for greater control and adaptability.

PERFECTION

FEATURES AND BENEFITS

- **Full-Size Grip, Compact Slide**
Duty-sized control & enhanced maneuverability.
- **Flat-Faced Trigger**
Promotes consistent trigger control and accuracy.
- **Optics Ready**
Designed to accept today's most popular red-dot sights.
- **17+1 Capacity**
High-capacity 9mm platform built for duty use.
- **Enhanced Gen6 Ergonomics**
Improved grip texture, palm swell, and thumb rest for a secure hold.
