

**XTU RAPID SHIRT (FITTED)**

Featuring a hybrid construction of lightweight abrasion-resistant cotton, Cordura® nylon and elastane ripstop and moisture wicking, cotton and Cordura® nylon jersey knit for comfort under load bearing gear, the XTU RAPID Shirt provides comfort, durability, and breathability like none other. Both the ripstop and jersey knit fabrics are no melt no drip.

Arms feature zippered pockets with internal retention loops and patch-holder exterior panels. Adjustable cuffs with stretch allow the sleeve to be partially rolled up and double-layered elbows add durability. Its collar is jersey lined for comfort and features a ¼ length YKK® zipper.

The XTU Shirt has a fitted profile with an ergonomic pattern for ease of movement with minimal fabric bulk. Lightweight, breathable and ready for anything.

+ Woven: 58% cotton / 39% nylon / 3% elastane ripstop, 5.7-oz., Teflon™ | Knit: 60% cotton / 40% nylon jersey, 5.0-oz. with moisture wicking and odor control properties
